Warranty Disclaimer

Warranty

Thank you for your commitment to the products and services of our company **Bioart Dental Australia**.

This warranty applies to physical goods, and only for physical goods manufactured by and purchased from Bioart Dental.

What does this limited warranty cover?

This limited warranty covers any defects in materials or workmanship under normal use during the warranty period.

During the warranty period, BioArt Dental will repair or replace at no charge, products or parts of a product that proves defective because of improper material or workmanship, under normal use and maintenance.

What will we do to correct the problem?

Bioart Dental will repair or replace the product/parts at no charge.

How long does this coverage last?

The warranty period for physical goods manufactured by and purchased from Bioart Dental starts from the date of purchase to:

Zirconia Restorations

- Hybrid Implants
- Crowns, inlays, onlays and bridges - 5 years
- All on 4^s with Ti bases - no warranty
- All on 4^s with Ti frames - 5 years

Metal Restorations

- Lifetime warranty on all Titanium and Cobalt Chrome frameworks.

Lithium Disilicate

- Crowns/onlays/inlays - 5 years
- Maryland Bridge - no warranty

Acrylic Restorations

- Acrylic overlays and wrap-arounds - 1 year

PFM - 2 years

Splints - 6 months

What doesn't this Warranty cover?

This warranty does not cover the following:

- Any problem caused by conditions, malfunctions or damage not resulting from a defect in material or workmanship.
- Damage caused by the owner(patient), or by the clinician modifying the product, attempting to correct, adjust, or otherwise alter the restoration of the product.

All restorations manufactured by Bioart Dental are compliant with government legislation utilising materials and components listed on the ARTG (Australian Register of Therapeutic Goods).
